About Us

Kumbh Cottages

Kumbh Cottages is more than just a place to stay—it's your gateway to experiencing the deep spiritual and cultural significance of the Kumbh Mela, the largest religious gathering on Earth. As the largest campsite at this major event, we focus on providing a comfortable, safe, and enriching experience for pilgrims, tourists, and spiritual seekers.

Our Journey—Serving You Since 2000

Kumbh Cottages started in the year 2000 with a mission to offer pilgrims a welcoming and comfortable place during the Kumbh Mela. Since our first event in 2001, we have been committed to improving our services, becoming a trusted name at every Kumbh Mela since then.

In over twenty years, we have grown from a small setup to the largest campsite at the Kumbh Mela. Our dedication to providing top-notch service and respecting the festival's spiritual importance has made us a leader in offering high-quality amenities.

The Legacy of the Kumbh Mela

The Kumbh Mela is one of the world's oldest and largest religious festivals. Held every 12 years in Haridwar, Allahabad (Prayagraj), Nashik, and Ujjain, it attracts millions of devotees and spiritual seekers. The festival is centered around the belief that bathing in these sacred rivers washes away sins and grants spiritual liberation.

As the largest religious gathering of people on Earth, the Kumbh Mela offers a unique and transformative experience. At Kumbh Cottages, we provide visitors with the opportunity to join this sacred event while enjoying modern comforts and excellent facilities.
